

Dear Friends of Blue Island Park District,

With consideration of the Center for Disease Control recommendations and the health of our patrons in mind, the Blue Island Park District Registration Office will be closed until April 1. Registration will still be available via voicemail request and our online system. Park staff will monitor emails and voicemail.

The Blue Island Park District has canceled all events through April 1. On April 1, the Park District will reevaluate regarding future events.

For additional information concerning COVID-19 and our community, please visit <http://blueislandparks.org/coronavirus>

With well wishes,

*The Blue Island Park District*
