

IMPORTANT PLAYGROUND UPDATE

Beginning July 3, playgrounds will be re-opened to the public from sunrise to sunset. Parks and playgrounds should not exceed a max capacity of 50 people or the number posted at individual parks.

To keep our community as healthy as possible, we ask that all visitors help us by following the set guidelines:

- Avoid use of park equipment if you may have symptoms of or been exposed to COVID-19
- Bring hand sanitizer/wipes to keep hands clean and prevent spread of germs.
- Sanitize benches and other surface areas whenever possible before and after use
- Maintain a minimum distance of 6 feet from individuals not within your household
- Maintain 30 feet of distancing from other groups
- Wear a face covering when social distancing is not possible

IMPORTANT NOTE: Park staff will maintain a regular cleaning schedule, but sanitation efforts are limited. Visitors should use the park equipment at their own risk. Parents should take steps to sanitize before and after each child's visit.
