Bark Park Waiver & Registration

Important Information

You are responsible for supervising your dog(s) and making a determination as to whether or not this is an appropriate activity for your dog(s) to participate in. Your participation in this activity is at your and your pets own risk.

You are additionally responsible for determining whether or not your dog(s) is able to participate in these activities health wise and if your pet is adequately skilled for all of the activities to be undertaken in this event. You are advised to consult your veterinarian and/or physician if you or your dog are pregnant, disabled, suffered a recent illness or injury, or if the age of you or your dog(s) deems necessary.

Warning of Risk

Understand that although dog exercise of any kind (leashed or unleashed) whether it includes walking or running is meant to provide fun and enjoyment for you and your dog(s), there is always the risk of serious injury including death to both you and your dog(s). Please know that not all hazards and dangers that can be associated with animal activities can be predicted as with any other event or activity. Many other possible risks include, but are not limited to: negligence and irresponsibility of other dog handlers; the inability to judge a dog's reaction to any visual or auditory stimulus that the dog may encounter whether person, place, or thing; reactions by a dog due to fear, anger or stress; reactions from insect bites or other environmental factors; resistance and biting by any dogs; traffic conditions; inclement weather; premise defects; equipment failure; other circumstances that can and may occur with animals and outdoor activities. Be aware that any attempt that a handler may make to break up a fight between two or more animals, may result in physical injury to yourself and the animals. In this regard, it is important for you to know that the Blue Island Park District cannot guarantee absolute safety.

Waiver and Release of All Claims and Indemnification Agreement

By reading and signing this form, you are expressly assuming all risk and legal liability; and releasing all responsibility and claims for injuries, damages or loss which you and/or your pet might sustain as a result of participating in any and all activities connected with the use of the Blue Island Park District facilities and/or the surrounding areas.

I understand that there are any number of risks that may cause injury, damage, or loss to myself or my dog(s) during any animal activities that I participate in at the park; and I voluntarily agree to assume all of the responsibility and risks and to not hold the Blue Island Park District responsible in any way.

I agree to relinquish, waive, release, and discharge the Blue Island Park District and all of its agents, commissioners, volunteers, employees, etc. from any claims for injuries, damages or loss that I may accrue during the course of any animal activities that I choose to participate in at the park.

I further agree to indemnify and hold harmless and defend the Blue Island Park District from any and all future claims, damages, or losses that I may accrue from participating in any animal activities at the park.
